Leadership: Team Building (12+ direct reports), Cross-functional Management, OKR/KPI Design, Mentorship

Verticals: iGaming, Forex (FX/CFD/Spread Betting), Fintech, SaaS, E-commerce, Sports Betting, Regulated Financial Products

WORK EXPERIENCE

Head of Paid Media & In-App Acquisition | Clever Advertising, LDA | Aug 2023 – Present

- **Team Leadership:** Lead and mentor an 8-person cross-functional team across Paid Media, Design, and Tech. Integrated design and engineering earlier in the acquisition funnel, reducing operational friction and increasing creative output velocity.
- **Strategic Growth:** Built the In-App business unit from scratch, scaling it to €2.4M in annual revenue and 25,000 FTDs in 2025 across iGaming and Forex/CFD verticals.
- **Performance Culture:** Restructured department KPIs around high-velocity FTD volume; achieved a 47% increase in team efficiency with a €128.97 CPP versus a €245.48 market benchmark through CPI optimisation and rigorous A/B testing.
- **Creative Testing & Attribution:** Implemented systematic creative testing frameworks and multi-touch attribution models, improving creative iteration speed by 60% and accurately attributing revenue across affiliate and paid channels.
- **Affiliate Marketing:** Oversaw affiliate channel integration alongside paid media, managing CPA and RevShare deal structures to complement in-house FTD acquisition strategy.
- **Tracking & Technical Oversight:** Lead trainer for internal performance marketing workshops covering S2S tracking, Meta Conversions API (CAPI), attribution modelling, and global acquisition trends.
- **Business Unit Incubation:** Selected to build and scale SEO and PPC departments from zero, recruiting core teams and establishing a Product-Led Growth culture across 20+ global websites.

Chief Marketing Officer (CMO) | Classy Advertising, LDA | Nov 2020 – Aug 2023

- Co-founded and launched a full-service performance marketing agency; responsible for hiring, onboarding, and leadership of 12 specialists across Data Science, Creative, and Paid Media.
- Directed go-to-market strategy for a global fashion e-commerce brand, scaling revenue to €5M+ through multi-channel acquisition, A/B testing, and attribution model-driven budget allocation.
- Managed €50K+ daily ad spend across Meta Ads, Google Ads, and DV360, maintaining profitability through unit economics focus and internal automation frameworks.

- **Affiliate Marketing Leadership:** Designed and scaled affiliate marketing programmes across iGaming and Forex verticals, managing CPA, CPL, and RevShare models with 50+ affiliate partners.
- Built and scaled 3 business units (PPC, SEO, In-App) from zero to multi-million euro revenue streams, including dedicated Forex/Fintech and regulated financial products acquisition programmes.
- Implemented creative testing pipelines and data science models combining ROAS with product recommendation engines, significantly improving conversion performance for B2B and B2C clients.
- Coordinated full rebranding and relaunch of a major US sports betting app, including CPI-optimised UA strategy, website/landing page development, and full campaign architecture.

Project Owner (SEO) / Growth Manager | Classy Advertising, LDA | Jan 2020 – Jun 2022

- Selected to build and scale SEO and PPC departments; recruited core teams and established Product-Led Growth processes managing 20+ global websites.
- Delivered ROAS improvements across international B2B and B2C accounts through data-backed creative strategy.

Paid Advertising Specialist | Clever Advertising, LDA | Jan 2018 – Dec 2019

- Managed paid acquisition campaigns across Meta Ads and Google Ads for iGaming and Forex/CFD verticals, with focus on CPI optimisation and FTD volume.
- Executed A/B testing and creative testing programmes across ad copy, landing pages, and audience segments; developed expertise in attribution models, audience segmentation, and S2S tracking implementation.
- Supported affiliate marketing operations, managing tracking links and CPA deal monitoring across key affiliate partners.

Marketing & Communications Manager | Clínica Praxis | Jan 2017 – Dec 2018

- Managed digital marketing and brand communications strategy for a healthcare clinic.

Digital Marketing Account Manager | Páginas Amarelas | Jan 2016 – Dec 2017

- Managed client accounts and delivered digital advertising strategies across search and display channels.

KEY ACHIEVEMENTS

- Built In-App business unit from inception to €2.4M annual revenue and 25,000 FTDs across iGaming and Forex/CFD verticals
- Drove €5M+ in e-commerce sales through full-funnel paid media strategy, A/B testing, and attribution model-led budget allocation
- Reduced CPP from €245.48 benchmark to €128.97 — a 47% efficiency improvement driven by CPI optimisation and creative testing
- Scaled affiliate marketing programme to 50+ partners across iGaming and Forex verticals, managing CPA, CPL, and RevShare structures
- Founded and scaled 3 business units (PPC, SEO, In-App) from zero to multi-million euro revenue streams
- Coordinated full rebranding and relaunch of a major US sports betting app across website, landing pages, and CPI-optimised campaign architecture
- Developed proprietary automation frameworks in DV360, Google Ads, and Meta Ads enabling rapid global campaign scaling

MARTECH TOOLS BUILT

- **FinVisuals:** Automated creative engine reducing asset production turnaround by 70% using real-time finance and sports data feeds.
- **Growth Media Check:** Diagnostic tool for iGaming; analyses ad-driven follower growth and provides regional acquisition strategy recommendations.
- **Hyped.Markets:** Real-time aggregator and comparison engine for global prediction markets across all major platforms.
- **DSP Campaign Automation:** Google Sheets-integrated automation to create and manage campaigns across multiple DSPs at scale.
